REVA University inaugurates the First Season of RCPL 2022

Eight teams from REVA University will face each other to win the title

21 March 2022, Bengaluru: Premier educational institution REVA University inaugurated the first season of REVA Cricket Premier League (RCPL) 2022 at its campus on Monday.

The Department of Physical Education in association with the Faculty of Commerce and Management Studies is organizing the premier league that will enable a platform for more than 180 budding cricketers to showcase their skills.

Speaking at the inauguration, Dr. P Shyama Raju, Chancellor, REVA University, stressed the need for sports in varsities and why REVA has been a forerunner in promoting sports for students.

“Sports make students disciplined, teach life skills, and ensure that students are passionate about their choices whether it’s a sport, studies, or career. Any sportsman who is passionate about a sport will thrive in studies too. REVA University is offering a scholarship to skilled students under sports quota to ensure talented sportsmen get the right training and right opportunity to excel in sports,” Dr. P Shyama Raju said.

Driven to encourage more students to pursue sports, REVA University has been adopting many initiatives to ensure sports becomes an integral part of students’ lives. Recently, the university organised the REVA Kabbadi League and students from educational institutions across India participated in the championship. The home team from REVA University emerged as the First Runners Up in the Kabbadi League.

Elaborating on how REVA is adopting sports as a part of its academic culture, Dr M Dhanamjaya, Vice Chancellor, REVA University, said that the University is strongly driven to motivate more students to pursue sports.

“At REVA, we thrive on the holistic development of students and any education without sports is incomplete. I am certain that the sports-oriented culture at REVA University will nurture skills in aspiring sportsmen and eventually train them to be eligible to participate in national and international events. We aspire to train students who will represent India in international tournaments,” Dr M Dhanamjaya said.

The first edition of the RCPL 2022 will see 8 teams from REVA University play 15 matches during the six-day tournament. Two winning teams of the semi-final match will face each other in the final match that will be held on March 26, 2022, at the REVA University campus.
