Activity: University Level Club Activity

Place of Activity conducted: REVA Rangasthala

Students: 83 Students from 12 Departments

No of Faculty: 05

Date: 18th – 20th May, 2022

A chess tournament is a series of chess games played competitively to determine a winning individual or team. We are glad to inform you that School of Architecture, REVA University has organized the first individual chess tournament of REVA University. Our Director Prof. Vidya Srikanth took responsibility to organize this tournament to find out the best chess players from the university. REVA Chess Club has tried to fulfill its objective by organizing this tournament, which will help in making REVA university Chess team.

As a part of this, School of Architecture in association with the Department of Physical Education has organized REVA Chess Championship from 18th to 20th May 2022. The poster for the tournament was released 5 days prior to the date of the event and 86 participants registered for the tournament. The Championship was played as individuals on double knockout basis. Overall 10 rounds were played amongst all players and every individual got chance to play at least 2 matches.

The tournament was organized in REVA Rangasthala with the help of maintenance team and staff from department of Physical education.

Over 2 days of tough games amongst all the teams, we found out the winners of the tournaments. It was a tough competitions as some of the participants had rating points and some participants were unrated players.
