ITF WOMENS 25K OPEN

Padukone-Draavid Centre for Sports Excellence
26th Feb - 5th March 2023

THANK YOU

MEETING THE PURPOSE OF THE EVENT

The tournament saw a total of 52 entries in the singles category and 16 teams (32 athletes) in the doubles category. Of the total entries 7 players from India participated including India's number one Ankita Raina. The few other younger players who participated in the tournament raked up much needed ITF points that will allow them to move up in their rankings.

With your support we were able to conduct a successful women's tournament that provided athletes with a platform to showcase their talent as well as grow in the sport of tennis.
