About the Event/Activity:

The Faculty of Architecture, Planning and Design, REVA University, is honored to host the **National Association of Students of Architecture (NASA)** Expert Lecture series, aptly called **ANAAGATA 2023** for students of architecture from universities and colleges across India, **on March 16th, 2023**, keeping in line with the theme of *the 65th NASA Year 'ENVISION'*. The event was attended by around 250 students and eminent industry persons from Bangalore. Academicians from other colleges of architecture in the city were also engaged actively.

The event was inaugurated at 10:30 am and proceeded with the main keynote address delivered by **COA president, Ar. Habeeb Khan and Ar. Leena Kumar, Jt Honorary Secretary, IIA National Council**.

Post lunch the 4 panellists gave a 20-minute presentation each of their professional works and design ideology. Post the talk a panel discussion took place with Ar. Rishabh Wadhwa as a moderator.

The Panellists for the event were as follows:

1. **Ar. Nisha Mathew**, Co-founder & Principal Architect, Mathew & Ghosh Architects
2. **Ar. Rolins Roy**, Principal Consultant, Rolins Arcoustics.
3. **Kavya Sheth**, Interior Designer & founder, Studio Ruh.
4. **Ar. Maniyarasan**, Photogrammetrist of Built heritage, Associate faculty, C.A.R.E School of Architecture
5. **Ar. Rishabh Wadhwa**, Blessedarch (Moderator)

The panel discussion was followed by an open house exhibition of the academic work of the students of architecture to the guests and participants. This was followed by high –tea and cultural.

Outcome of the Event:

The event has helped build perception for the college and the school. The students were able to interact with the big names in the industry, people whose work that they have heard and studied about. This will bring about a sense of inspiration to purpose and orientation to many students who may lack the same.

I would like to thank our Chancellor Dr. P Shyama Raju, the management, and Prof. Vidya Srikanth for their immense support in encouraging such initiatives.
