About REVA University

REVA University is a State Private University established in Karnataka State under the Government of Karnataka Act No. 13 in the year 2013 in Bengaluru, the IT capital of India. The University is recognised by the University Grants Commission (UGC) and is approved by the AICTE (All India Council for Technical Education).

REVA University prides itself in contributing to every student's holistic development. The University currently offers 41 full-time Under Graduate Programmes, 32 full-time Post Graduate programmes, 18 PhD programmes, and certification and diploma programmes. The University offers programmes in Engineering, Architecture, Science and Technology, Commerce, Management Studies, Law, Arts & Humanities, and Performing Arts. Courses are offered in Certificate/Diploma and Post Graduate Diploma too. REVA University facilitates research leading to a Doctoral Degree in all disciplines. The programmes offered by REVA University are well-planned and designed based on methodical analysis and research with emphasis on knowledge assimilation, practical applications, hands-on training, global and industrial relevance, and their social significance.

Teachers and instructors with illustrious academic experience are the architects of the meticulously designed curriculum and program modules offered at REVA University. They come with industrial exposure and experience that often translates through their teaching, thus bridging the gap between the industry and academia.

REVA University has an updated, ever-evolving collection of books, journals, and digital content in the library with the latest IT infrastructure that ensures students have information at their disposal. The lush green campus, state-of-the-art laboratories, custom-designed classrooms to enable seamless learning, and world-class indoor and outdoor sports facilities make REVA University the most preferred university among students and MNCs that visit the campus for placements.

About School of Legal Studies

The School of Legal Studies offers graduate and post graduate programmes with an objective of preparing law professionals, with a sound understanding of the foundations of legal knowledge. The School offers BA, LL.B (Hons.), BBA, LL.B (Hons.) of five year duration and one year LLM in Business and Corporate Law and Criminal Law. The School also undertakes various consultancy projects. Equipped with excellent infrastructure

including moot court hall, counselling cell, Legal Aid Clinic, library with variety of print and online resources aims to advancement and dissemination of knowledge of law and legal process in the context of national development. The school in addition to its well experienced, qualified law faculty members invites regularly practicing lawyers and legal luminaries as adjunct faculty, guest faculty members to facilitate practical exposures on latest judgements.

About the Faculty Development Programme

The seven days Faculty Development Programme aims at training the aspirants who are desirous and willing to acquire and improvise their teaching and research skills. This program specifically focuses on a changing approach towards teaching with nuance to give our students a competitive edge in today's volatile market. The field of law knows no boundaries and it does not operate in silos. Law as social science requires to undertake multidisciplinary approach in teaching methodology.

This Faculty Development Programme is being organized with a two-fold objective: to align law with other fields so as to enhance the area and scope of knowledge and widen the areas of interdisciplinary approach.

Eligibility

This program is open to the faculty members from multi-disciplines.
