

SCHOOL OF MANAGEMENT STUDIES

OUTREACH PROGRAM

“EDUCATION ON WHEELS IN ASSOCIATION WITH UIIC -REVA UNIVERSITY”

ON DIGITAL LITERACY

Date: 16th Nov 2023

School of Management Studies, REVA University has organized “EDUCATION ON WHEELS – AN OUTREACH PROGRAM” in association with UIIC, REVA University, On the occasion of Children Day, on 16th November 2023 in Channa Halli Government High School, Bangalore.

ABOUT EDUCATION ON WHEELS PROGRAM: The purpose of the program was to train students on certain MS office applications in which they were trained on the basics of Power Point Presentation, how to create a slide, how to insert images and how to change font style and size which would help them showcase their presentation skills, express their creativity, and gain valuable experience. There were various activities also conducted to keep the students accompanied while other students were learning in REVA EDUCATION ON WHEELS. The program was presided over by Channa Halli Government High school committee members, teaching and non-teaching staff.

Details of the Program/Event:

With this program, students were able to gain experience about managing, critical thinking and decision making. This program aims to help students get to know the basic knowledge about computers and PowerPoint Presentation which would help them a lot in future.

Based on the positive response from the audience, such programs will be organized periodically in future too.

Activities details:

- 1.Shoe in the box- Puneeth & Koushik
- 2.Face the Cookie -Puneeth & Koushik
