

Health Camp on Diabetes

In continuation of our commitment to promoting health and wellness within the REVA University community, we are pleased to announce an additional Health Camp organized in collaboration with the School of Applied Sciences, NCC and NSS Wings. This event, held on 31st January 2024, was conducted in association with Aster CMI Hospital, Bangalore, renowned for its commitment to healthcare excellence.

The Health Camp featured a comprehensive array of activities and services designed to address various facets of health and well-being. Attendees had access to a wide range of screenings, consultations, educational workshops, and hands-on demonstrations, providing invaluable insights into preventive care, lifestyle management, and holistic wellness practices. We are gratified by the enthusiastic participation and strong turnout at the Health Camp, reflecting the collective commitment of our university community to prioritize health and vitality. The active engagement of faculty, staff, and students underscored the significance of collaborative efforts in fostering a culture of wellness. The success of the Health Camp was made possible through the collaborative efforts of multiple stakeholders, including the organizing committees of the School of Allied Health Sciences, School of Applied Sciences, NCC and NSS Wings, in partnership with Aster CMI Hospital, Bangalore. We extend our sincere appreciation to all individuals and organizations involved for their dedication and support.
