CORE COMPETENCIES:

Planning: I determine the length and difficulty of tasks and set clear, realistic and measurable goals; set priorities and time parameters to accomplish the tasks and anticipate roadblocks and develop contingencies to redirect tasks so momentum is not lost.

Drive for Results: I pursue everything most of the time with energy, drive, and a need to finish; and I don't give up before finishing, even in the face of resistance or setbacks; steadfastly I push myself and others for results.

Personal Learning and Development: I'm personally committed to and actively work to continuously improve myself; recognize the need to change personal and interpersonal behavior and actively seek feedback

Listening: I practice attentive and active listening; have the patience to hear people out; and can restate the opinions of others even when he or she disagrees.

Interpersonal Skill: I'm warm and easy to approach and build constructive and effective relationships. I use diplomacy and tact to diffuse tense situations and put others at ease and disarm hostility.

Integrity and Trust: I present truthful information in an appropriate and helpful manner; I admit mistakes and don't misrepresent myself for personal gain.
