CA. Sowjanya G.K

Founder & CEO
S.G.K Skill Solution

- CA. Sowjanya G.K, a Chartered Accountant by qualification, holds the position of Founder & CEO at S.G.K Skill Solutions. Her educational foundation was laid at M.E.S College of Arts Commerce & Science, culminating in her qualifying as a Chartered Accountant in 2006, subsequent to an articleship at Deloitte. With a career spanning over 22 years, she has garnered extensive experience in the finance and accounting sector, having affiliations with multinational firms like KPMG, EY, and various professional/academic institutions like The Institute of Chartered Accountants of India(ICAI), Symbiosis Institute of Business Management (SIBM), Bengaluru, ICFAI Business School (IBS Bengaluru), Jain University, Christ University, Chandragupt Institute of Management Patna (CIMP), Goa Institute of Management, etc.
- Her professional journey is marked by numerous recognitions. While at KPMG India in Bengaluru as part of the Accounting Advisory Services team, she was honoured with awards such as 'Rising Star' and 'Above and Beyond', acknowledging her contributions to various multinational client projects. At IBS Bengaluru, her role as a faculty member for MBA students was celebrated by honouring with the 'IBSAF Best Teacher Award – 2014'. Additionally, her talents extend to the arts, with several awards in painting competitions at state, national, and international levels, alongside achievements in quizzes, debates, and other scholastic activities.

- In her current entrepreneurial role, Sowjanya focuses on consulting and upskilling initiatives for students, corporates, and business owners in the finance domain. Apart from her regular CA services that include Attestation and Management Consultancy, her projects include providing 'Data Insights' that are multi-domain PowerBI Insights on Finance and HR, and she has also curated a course called 'Finance Role Readiness Program (FRRP)', designed to equip students with industry-relevant skills, offered in English and regional languages which simulates financial services industry scenarios in excel.
- Her consulting portfolio encompasses a wide range of projects in Accounting Advisory, particularly in areas related to US GAAP, IFRS, and Ind AS Convergence and Compliance. She possesses extensive expertise in devising learning solutions across various disciplines, including accounting, finance, costing, and management, as well as in technical subjects such as Accounting Standards. Additionally, she is empanelled with a multinational firm, where she delivers insightful technical sessions on IFRS, US GAAP, and Ind AS.
- Sowjanya's involvement in bridging the academia-corporate gap is evident in her initiatives for commerce students, focusing on roles like Analyst, Executive, Consultant, and Audit Assistant. She has conducted various Management and Faculty Development Programs at academic institutions and universities. A notable project includes the conception and execution of training programs for Non-Executive Directors of Government of Karnataka entities, delivered in Kannada.
- With a versatile approach, she offers advisory and consulting solutions catering to a wide array of businesses, ranging from SMEs to large corporates, demonstrating her commitment to excellence in the finance and accounting field.
