

**SCHOOL OF COMMERCE**

**DEEKSHARAMBH – Student Induction Program**

**Academic Year 2024-25**

**[25<sup>th</sup> July 2024 to 31<sup>st</sup> July 2024]**

**Creative:**

**About Induction Program**

The transition from school to university is one of the most challenging experiences a student can encounter. New students arrive with a variety of feelings, opinions, expectations, and levels of preparation, entering an unfamiliar environment with limited knowledge of what lies ahead. It is vital to warmly welcome these students to REVA University and equip them for their new roles and responsibilities within the university.

**The Objectives of the Induction program**

- To introduce students to REVA University's policies, processes, practices, culture and values.
- To interact and engage with a fruitful discussion with other new students, seniors, Teaching & Non-Teaching Staff and visit the important places in the Campus.
- To help the students to understand the new eco system, give a learning experience through guest lectures and Team Building activities and also orient them about the various extra-curricular activities conducted at School & University level.

### Schedule of Events conducted during the Induction Program

**Session wise/ Day wise Report:**

**ACADEMICS @ REVA**

**Date: 25<sup>th</sup> July, 2024**

**Timings: 9.00 am to 10.30 am**

**Venue: C.K Prahalad Seminar Hall**

**Objective of the Session:**

To orient the students about the various academic related information and school level activities conducted at the School intended to provide a holistic growth & development for the students.

**About the Session:**

Dr. M Subramanyam, Director, School of Commerce oriented the students on Vision, Mission of the University and School. Highlighted the significance of value system & Code of Conduct. The session focused on discussing various curricular and non-curricular activities conducted at School for a holistic growth and development of the students. The session provided an overview of the Specialization offered with courses and various activities conducted at school level like Guest lectures Professional lecture series, Workshops organized for students, Clubs & forums activities, Cultural activities, Student participation in inter college fest, Students Achievements in Sports, Student Achievement in clearing national level competitive exams, Alumni Achievement, Placement etc. The session also provided an information on various facilities like Library, Hostels, Food Court, Auditorium, Open Air Theatre, Transportation facilities etc.

**Learning Outcome of the Session:**

Students will have a clear understanding of the opportunities and resources available to them, motivating them to actively participate in both academic and extracurricular activities for their holistic growth and development.

## CAMPUS TOUR

**Date: 25<sup>th</sup> July, 2024**

**Timings: 10.50 am to 12.50 am**

A campus tour is an essential part of the student orientation process, providing a firsthand experience of the school's environment and facilities. It allows students to familiarize themselves with key locations such as lecture halls, libraries, hostels, food courts, and recreational areas. By exploring the campus, students can better understand the resources available to support their academic and personal growth. Additionally, a campus tour helps in easing the transition to a new educational setting, fostering a sense of belonging and community among new students. Overall, it enhances their confidence and readiness to embark on their academic journey.

**Road Map of the Campus tour:**

## TEAM BUILDING ACTIVITY

**Date:** 25<sup>th</sup> July to 31<sup>st</sup> July 2024

**Timings:** 1.30 – 3.30 pm

**Venue:** REVA Grounds and C K Prahalad Seminar Hall

**Faculty Co-ordinators:** Prof. Suma S & Prof. Megha S

**Objective:** The well-being of students has a direct impact on their progress. So, happy students learn better. As a teacher, we play a crucial role in their social-emotional well-being and development.

We can create an engaging classroom environment with collaboration and respect. Team-building activities are perfect for teaching our students these skills. In this regard We the School of Commerce have gathered 6 fun team building activities for the freshers to they get closer to each other and understand their peers better.

Team building activities also helps in building essential skills such as Creative thinking, Problem solving skills and Resilience

### **About the activity:**

Students were split into 8 groups(teams) consisting 10 each in a group. Activities like Ice breakers, Balloon balancing pyramid, Digit fidget, Pipe line and Cup stacking challenge was organised. Students were told about the rules and regulations of every activit ,demonstration of the game was shown wherever necessary, students enthusiastically took part in all the activities showing the team spirit. It was indeed a fun filled activity where students enjoyed every activity which was well planned.

The last day of the team building activity we had our Director who addressed the students and distributed gifts as a token of appreciation for the best 10 collage of Top Businessmen/Entrepreneurs (individual activity)where students did a wonderful job in putting the information creatively using there ideas. After the formal session it was cultural performances were we had solo dance, group dance, skit and singing. At the end we had feedback by students who shared their thoughts and views.

### **Learning Outcomes:**

Team building activities has always been found to have a lot of positive impacts knowing this as a fact, we organised team building activities that brought in lot of positivity and confidence in the team. It helped students to open up and understand each other. This event also helped to learn about delegation, leadership and creative thinking.

### **Student Engagement in Activity:**

## Mental health and well-being workshop on Self Care

**Date:** 26<sup>th</sup> July, 2024 to 29<sup>th</sup> July 2024.

**Venue:** 5<sup>th</sup> Floor, Swami Vivekananda Block

### About the session:

A session on mental health and well-being was conducted by Prof. L R Sinchana from Dept. of Psychology. The session focused on self-care is crucial in today's fast-paced and demanding environment. This session aims to equip students with practical strategies to manage stress, enhance emotional resilience, and

maintain a balanced lifestyle. It covers essential topics such as recognizing signs of mental health issues, developing healthy coping mechanisms, and incorporating self-care practices into daily routines. By promoting self-awareness and encouraging proactive care for one's mental and emotional well-being, the session fosters a supportive community where students can thrive academically and personally. Ultimately, it underscores the importance of prioritizing mental health for overall life satisfaction and success.

### About the Session:

This session is designed to equip students with essential skills that are crucial for both personal and professional success. By focusing on four key areas—Presentation Skills, Communication Skills, Self-Confidence, and Interpersonal Skills—students will gain a comprehensive understanding of how these competencies can enhance their effectiveness in various aspects of their lives. The session was conducted by **Mr. Mohammed Irfan, Co-Fouder, Skill Drives on 26<sup>th</sup> July, 2024.**

Understanding and mastering these skills can significantly impact a student's career and personal life. In the corporate world, strong presentation and communication skills are essential for influencing others, leading teams, and advancing in one's career. Self-confidence helps individuals tackle challenges and seize opportunities, while effective interpersonal skills facilitate collaboration and create a positive work environment. On a personal level, these skills contribute to healthier relationships, improved self-esteem, and greater overall life satisfaction.

### Learning Outcome:

- Students will be able to confidently create and deliver compelling presentations, effectively communicate across various mediums, and demonstrate enhanced self-confidence in both personal and professional settings.

- They will develop strong interpersonal skills, enabling them to build and maintain productive relationships, resolve conflicts amicably, and work collaboratively within teams.
- These competencies will prepare them for success in the corporate world and contribute to their overall personal development.
