Activity: Panel discussion and Exhibition

Place of Activity conducted: Chanakya Auditorium, REVA University

Students: 8th and 10th semester students + open to all.

No of Students: 100

No of Faculty: 2

Date: 14.05.2024

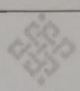

About the Event/Activity: School of Architecture, REVA University organized **Eco Genesis Forum – Where Sustainability meets Entrepreneurship!** - an innovative event that brings together visionaries, thought leaders, and entrepreneurs to explore the intersection of sustainability and entrepreneurship in collaboration with OSG Youth Alliance, Singapore on 14th May 2024 at Chanakya Auditorium, REVA University.

The main objective of the event was to cultivate an environment of innovation and sustainability within the entrepreneurial community, fostering growth and positive impact. The event commenced by an inauguration in the presence of our HOD – Dr Raghu Teja Vemana and Supriya Panchangam, Founder and CEO of The Future Founders Co. This was followed by a very interesting panel discussion with invited industry experts and interactive question and answer session. Post lunch, an expo that showcased the latest advancements, initiatives, and opportunities in sustainable entrepreneurship through the works of 7 teams were judged by the panellists. This was followed by a cultural event, awards distribution and closing ceremony.

Outcome of the Event: Through engaging panel discussions, insightful presentations, and interactive sessions, participants gained valuable insights, forge meaningful connections, and were inspired to drive a positive change in the world. The participants were equipped with the tools, resources, and connections, needed to pursue their entrepreneurial goals, to identify, address, and mitigate challenges in sustainable entrepreneurship.

I would like to thank our HOD, Dr. Raghu Teja Vemana for his immense support in encouraging such initiatives. I would like to extend my thanks to our sponsors for the event – D1 Fortification Private Limited and Anusha Reddy Couture.
