

Report on Skill Development Program – Learn Revit
For Students of VI Semester, B.Arch, School of Architecture, REVA
University

Date: 04-04-2024 to 07-04-2024

Organized by: Ar. Suruchi Sharma; SDC Coordinator, School of Architecture, REVA University

Faculty Coordinator: Ar. Suruchi Sharma, Assistant Professor, School of Architecture, REVA University

Venue: VI Semester Studio, 322, School of Architecture, REVA University

Resource Person: Ms. Rituparna, CAD Center, REVA Nest, REVA University

Number of Students: 46

About the SDC: The Skill development program, Learn REVIT conducted for VI Semester Students of B.Arch at school of architecture, REVA university was designed to enhance the students skills in the software. It equipped them with essential skills to create and manage their designs, developing their foundational knowledge and efficiency in generating 2D and 3D building elements. The program went on for 5 days ending with submission and evaluation of the models submitted by the students.

Outcome: Based on the students' cognitive level, the students learnt the basics of the software. The interface and its different elements were understood and learnt how to use the REVIT Software to enhance their design workflow. Revit is a requirement of the industry currently, and the students in these five days, were able to acquire this essential skill
