About REVA University

REVA University is a State Private University established in Karnataka State under the Government of Karnataka Act No. 13 in the year 2012 in Bengaluru, the IT capital of India. REVA University, recognised by the University Grants Commission (UGC) and approved by the All India Council for Technical Education (AICTE), has an A+ grade from NAAC.

REVA University prides itself in contributing to every student's holistic development. The University currently offers 37 full-time undergraduate programmes, 28 full-time postgraduate programmes, 19 Ph.D. programmes, and certification and diploma programmes. The University offers programmes in Engineering, Architecture, Science and Technology, Commerce, Management Studies, Law, Arts & Humanities, and Performing Arts. Courses are offered in Certificate/Diploma and Post Graduate Diploma too. REVA University facilitates research leading to a Doctoral Degree in all disciplines. The programmes offered by REVA University are well-planned and designed based on methodical analysis and research with emphasis on knowledge assimilation, practical applications, hands-on training, global and industrial relevance, and their social significance.

Teachers and instructors with illustrious academic experience are the architects of the meticulously designed curriculum and program modules offered at REVA University. They come with industrial exposure and experience that often translates through their teaching, thus bridging the gap between the industry and academia.

About School of Commerce

Commerce is one of the sought-after academic programmes at Undergraduate, Postgraduate and Research levels. The School of Commerce offers industry industry-integrated programmes that reduce the gap between industry and academia. The Degree Programme in Commerce provides scope to enter a wide range of business fields. This is reflected in various core subjects offered within the programme. The School also offers a B.Com - Honors programme with dual specializations in Accounting and Taxation, Economics and Finance, Statistics and Accounting, Banking and Insurance, Corporate Governance and Auditing, Innovation and Entrepreneurship, Marketing and Human Resources. The School of Commerce also offers a post-graduation programme M.Com, facilitating dual specializations combined with projects and internships. Further, the School has a research programme leading to Doctoral degrees and undertakes funded projects and consultancy activities.

About Faculty Development Programme

The Faculty Development Programme on 'Learning 2.0: Teaching & Research Strategies' will be held from 2nd December, 2024 to 6th December, 2024. This is designed to get participants acquainted with the professional development of the faculty members and their academic careers. It would also help faculty members to equip themselves with required and relevant innovative teaching strategies and research skills which will help them to deliver the classroom lecture effectively and contribute to research community through quality research. The expert speakers will discuss the intricacies of research and advanced pedagogies while identifying the gaps and suggesting reforms. The FDP is also an effort to provide research and teaching skill enhancement programmes for fellow faculty to bridge a gap in quality research and teaching skills that are required in the contemporary education system.

Programme Objectiv

Faculty Development Program aims to

- Equip faculty with new and effective teaching methods to make classes more interactive and engaging.
- Enhance Research Skills of faculty members to publish quality papers and contribute to research community.

Expected Outcome

The participants through this FDP will be able to implement innovative teaching methods in their classroom teaching and will be able to design, conduct, and publish high-quality research studies that contribute meaningfully to their academic fields.

For whom

Academicians from Management, Commerce & other related streams can participate.
