- Students booking meals can skip a maximum of ten meals per month. Thereafter, Rs. 150 will be deducted for every meal booked and not availed during the ongoing month.
- If a student, despite not booking meals, shows up at the mess for 10 meals per month, they will then be charged Rs.150 for not booking meals and availing the facility.
- Skipping meals (maximum of 10 times) or availing the meal booking facility (even if ten times are not exceeded) will attract the same penalty.

## For students going on leave:

Leave details will be uploaded, and the meal booking facility will be blocked for the leave period. It will be activated when the leave period ends. Students who return before their leave period ends would need to seek permission from the mess-in-charge to make an instant booking after having their leave period verified.

## Misusing a QR code:

A student who is found misusing a QR code generated on their phone will be penalized Rs.2000. If the rule is violated over 3 times, they will be asked to vacate the hostel.

## Loss of phone:

If a student loses their phone, they should immediately report the matter to their respective wardens. The wardens will in turn inform the mess manager. However, a student can continue to book their meals through an internet browser till they acquire a new phone.

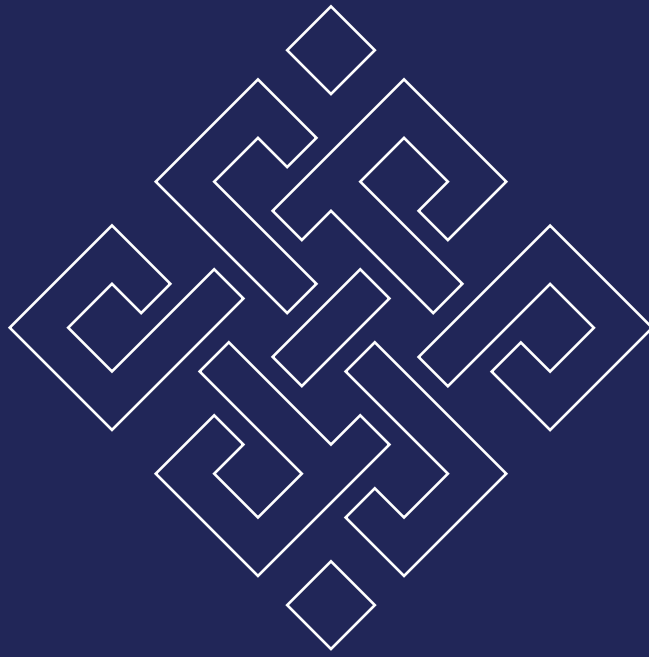

## App failure:

If the app malfunctions, a student can book a meal using an internet browser.

## Instant booking:

This will be done by the mess manager. Bookings will be done

- For guests/parents
- For students returning early before their leave period ends
- For students who have lost their phones
- For those who have missed booking a meal and need to avail the facility
- Any changes in the above policy will be at the discretion of the Pro VC(Admin)/Management.
