Aqueeb Khan M

Masters of Business Administration

REVA Business School

2020-22

I am Aqueeb Khan, currently working as a Business Analyst and Consultant at Bosch Global Software Technologies. My role involves bringing in the business perspective—focusing on desirability and viability—for projects aimed at technological advancements and future innovation bets, shaping strategies that create tangible impact in the ever-evolving tech landscape. With a multidisciplinary educational background in both business and technology, I have cultivated a strong ability to bridge the gap between strategic goals and technical execution. Over the years, I've developed expertise in strategic planning, business analysis, and collaborative problem-solving, which I leverage to drive successful outcomes. I am passionate about sharing my learning and experiences with students and professionals alike, believing that knowledge exchange is key to growth and innovation. I look forward to engaging with individuals and fostering meaningful discussions around the dynamic opportunities that lie at the intersection of business and technology

Report

Welcome Address:

A brief welcome address and Profile reading was done by Mr. Abhishek Jadav from 2nd semester MBA at 2.00 pm.

Introduction and Acknowledgments:

At 2.00 pm, Mr. Aqueeb initiated the session by introducing himself to the students and gave a brief introduction about the session.

Session commenced from 2.00 pm:

The alumni interaction session with Mr. Aqueeb commenced with an overview of his professional journey, highlighting his current role and involvement in an innovative project at Bosch. He shared valuable insights from his experiences, offering a practical perspective on managing innovation in the corporate landscape.

Mr. Aqueeb then engaged the audience with a case study on Asian Paints, emphasizing the importance of learning from exemplary business practices. He underscored the value of analyzing real-world cases to understand the approaches adopted by innovative individuals and organizations. He further elaborated on the necessity of being adaptable, seizing opportunities, and extracting actionable insights from diverse situations.

A significant portion of the session focused on the critical role of innovation in achieving business success. Mr. Aqueeb highlighted essential leadership competencies, particularly decision-making skills, which are crucial for navigating complex challenges and driving organizational growth.

The session concluded with an interactive Q&A segment, where Mr. Aqueeb addressed students' queries and provided thoughtful guidance on effectively channelling efforts toward achieving professional and personal goals. His practical advice and strategic insights left a lasting impact on the attendees, inspiring them to approach challenges with an innovative mindset.

Q&A session:

- ✓ How did you get into Bosch?
- ✓ Why don't you start your own business?
- ✓ How to channelise innovation?

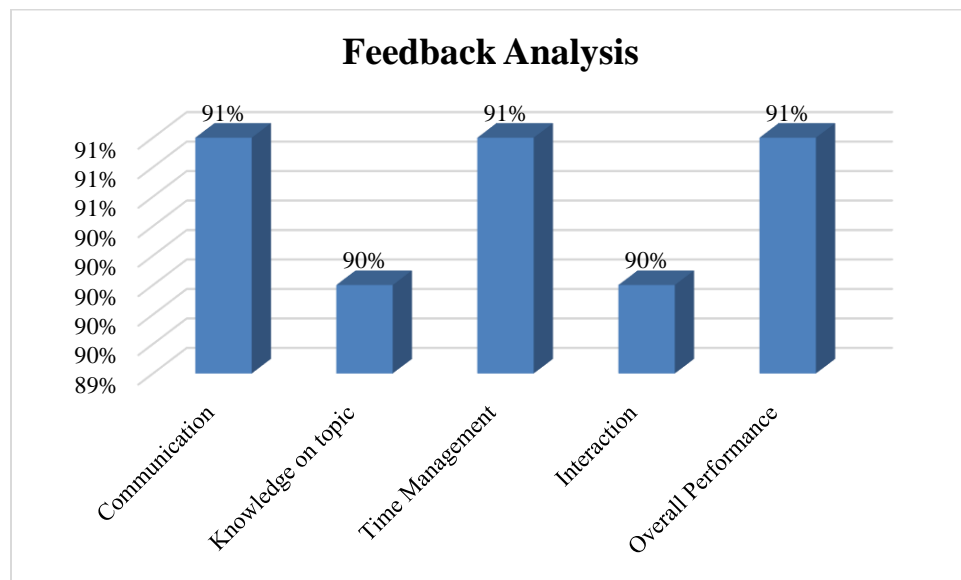

Vote of Thanks:

A vote of thanks was extended, marking the conclusion of the session at 3.00 pm.
