Report

RBS Alumni club has organized an alumni talk on “ Agile strategies for managing Supply Chain Disruptions on 17th May 2023. The talk was delivered by Mr. Kiran Kumar Hirematha B, Operation Analysts working in HP Computing and Printing Systems Private Ltd.

The program was organized in Chanakya Auditorium from 9.30 am to 10.30 pm and attended by MBA operation specialization students from 1st and 4th sem. The talk was organized by Alumni coordinators.

The resource person discussed Supply Chain, and disruptions in the supply chain. He also discussed the role of supply chain manager in handling the issues. He also focused on the consequences of supply chain disruption and risk involved, as an operation manager how to minimize the risk involved. He spoke about the expectation of Job providers to job seeker. He also stress upon the importance of project for MBA students.

By adopting Agile operation better results are expected such as proper management of resources, minimizing the risk, and more prompt in the operations.
